NEW BRUNSWICK

## SPECIAL MEETING REPORT

Subject Area: Levee on the Lake

Meeting Date: February 1, 2021

Councillors: Mayor and Council

Attachments:

---

### BACKGROUND

In February, Council approved several motions to support the Levee on the Lake event scheduled for August 20-22, 2021. One of those motions was to support an application for a liquor license to be used in an event tent at Lillas Fawcett Park on the evening of Saturday, August 21 for a ticketed live musical performance.

Since February, the organizers of the Levee on the Lake have made a slight change to their program and would like to add an additional evening event in the tent at Lillas Fawcett Park. This ticketed event would take place on the evening of Friday, August 20, 2021 and would include musical entertainment and a sit-down catered meal prepared using local produce by local chefs. The event organizers would like to ask for Council's support to apply for a liquor license for this event in addition to the liquor license application previously supported by Council for the separate Saturday night event.

The additional event is planned for the evening and should have minimal effect on patrons attending the park throughout the day.

### CONSIDERATIONS

Legal: The Town would be co-insured for the event.

Financial: Community Development Grant provided, and in kind costs approved by Council.

Policy: Motion @ the Regular Council Meeting of March 8, 2021

Stakeholders: Mayor, Council, Recreation Programs and Events, Parks and Facilities

Strategic Plan: Enhanced Delivery of Programs and Services; Quality of Life

Interdepartmental Consultation: Parks and Facilities, Corporate Projects, CAO

External Consultations: N/A

Communications: N/A

## **RECOMMENDATION**

Recreation Programs and Events recommends that Council support a liquor license application for the Levee on the Lake event to take place in a special event tent at Lillas Fawcett Park on the evening of Friday, August 20, 2021.

Respectfully Submitted by

Matt Pryde, Manager of Recreation Programs and Events
