

Vote Robert Corkerton

For Ward 1 Councillor Town of Tantramar

Photo by Jason Bowie Photography

It is time to step forward into this new adventure we are calling Tantramar. I want to help shape how Tantramar evolves, while not losing sight of what we currently have. We need to celebrate what has been our history, but not be afraid of what our future may bring.

Publisher/Éditeur: Robert Corkerton
Printer/Imprimeur: Staples 242, 233 Main Street
Moncton, NB E1C 1B8

I have been a resident of the Village of Dorchester for twenty years. I moved here from Montreal, where I learned French, and I am fully bilingual. I live here with my wife, Lise and our four children

For almost 16 years, I have had the pleasure of serving this community as a member of the Dorchester Council. During that time, I have worked on recreational programming, summer camps, movies at the rec, family fun days, Shiretown festivals and other events. Overseeing and updating the park, the ballfield, and the rink. Working on by-laws and policies.

I know that with the experience from this and other boards and committees I have been on, it will help guide me through the challenges of this amalgamation into forming a strong Town of Tantramar.

I promise you that I will listen to your concerns and questions. I will do my best to address them and find the answers. I will give the time that it takes to serve you the best that I can.

I will stand strong to make sure that our voice remains, in the large chorus that will be Tantramar.

I am asking for your support on November 28th. To allow me to be your representative for Ward 1.
